

GPS-Ag Online Help – Shopping List (online cart)

Shopping List – Order Summary Screen

You may logout and return to complete your order later. Products remain in the cart until:

- The “Empty Cart” button is actioned, or
- The “Check Out” flow has been finalised

The Shopping list displays all “Products” added to the active online order.

This screen does not include Freight or GST charges. You must use the “Check Out” option to see the total order price.

Prices shown are “Retail prices”
